### Overview of Services

Wagler Metal Sales can provide reviewable quotes for your project. We are a Supplier of:

- ✓ **WOOD packages** (roof & floor trusses, EWP, F.J.-laminated columns, lumber, and more),
- ✓ **METAL packages** (ROOFING: EZ panel-exposed & SS-concealed fastener. SIDING: B&B-exposed & concealed fastener. CUSTOM trims: you draw it-we make it.),
- ✓ **COILS** (for roll formers),
- ✓ **ACCESSORIES** (exterior millwork-doors & windows, cupolas, insulation products, ventilation products, tools, etc.)
- ✓ **SERVICES** (reviewable quotes, package projects, job-site delivery, standing seam job-site roll forming, quick response manufacturing, etc.)

### ABOUT US

We are a metal manufacturer of exterior & interior products available in many colors (smooth or textured finishes).

We provide the products needed to supply your complete building project. Whether it is residential, commercial, or agriculture, we are here to partner up with you on your next project.

Simply email your information to: [info@waglermetalsales.com](mailto:info@waglermetalsales.com) or fax to 866-568-0030 for an itemized QUOTE on your project or stock products.

Once the quote is reviewed and ready to become an ORDER then we can deliver it directly to your facility or jobsite.

We specialize in **barn metal** (EZ panel) for both roof & wall *exposed fastener* application.

Or, if a *concealed fastener* appearance is preferred, we also specialize in standing seam 1" & 1 ½ (roof) with **board & batten** (B&B) system application.

We have standard trims for all our clad products, as well as the ability to **customize trims** for customer preferences & architectural specifications.
